

2012 GUILD SUBSCRIPTIONS TO
THE JOURNAL
FOR WEAVERS, SPINNERS AND DYERS

Despite increased postage costs, we are pleased to be able to hold the price of the Journal subscription for those ordering through their Guild at £12.00 for the year. However, we have worked hard to make the Journal better than ever and, with your help, are constantly seeking to increase subscriptions and therefore reduce the overall cost of producing each copy. Please encourage new members to consider taking out a subscription.

Please send your order form in as soon as possible, ideally before 31st December. If you are unable to order before this date, please ensure that your order reaches me by Friday 27th January 2012 **at the very latest**. As late Guild renewals increase our overheads, any **renewals** received after this date will be charged the increased price of £14 per subscription. **However, please note that if your Guild has placed its order prior to this date, but then wishes to increase the order at any time during the calendar year, you may do so at the reduced rate of £12 per subscription.**
